

Lecture Series: Wildlife Habitat

Friday, June 3 @ 2pm

The Longport Library is partnering with Sustainable Longport for our next lecture program. The NJ Audubon will be presenting, “Creating a Certified Wildlife Habitat”. This program will be hosted by Kristin Hock, Habitat Outreach Coordinator, and will focus on how to get your garden space recognized as a “Certified Wildlife Habitat”.

This program will be held on Friday, June 3, at 2pm.

Registration is required (609) 487-7403
